Committee Reports

- The Standards Committee was charged with the task of developing revised accreditation standards for the university programs. A four phase process was developed for reviewing the standards
 - Phase 1: information gathering and consultation on current standards
 - Phase 2a: collation, analysis and assessment of information obtained from Phase 1
 - Phase 2b: Development of first draft of revised accreditation standards
 - Phase 3: Consultation with external stakeholders
 - Phase 4: Preparation of final draft of new standards

It is anticipated that the final draft of the new standards will be presented to the CCAPP Board for approval at the December 2022 meeting.

- A Strategic Planning session was held on June 15, 2022. When the report is received from the facilitator, the executive will meet to discuss the processes needed to be put the plan in place.
